We welcome your contribution to our Silent Auction! Contact us at the information below to support the tournament with a donation.

Your Golf Swing Supports Great Things

This year, our tournament and auction are supporting Cardiac Services expansion. We're raising funds to meet the heart health needs of our community with the purchase of two new updated cardiac diagnostic ultrasounds. This innovative equipment will provide 3D imaging of the heart to support diagnosis and medical treatment of heart conditions. Faster scan results, quicker exams, and services close to home ensure our patients have access to 5 Star Quality when they need it. Your registration, sponsorship and support of the silent auction will make a real difference!
